

Serving the Power Generation Industry with Comprehensive Valve Sales & Service

Total Valve Systems is a your single-source supplier for all types of valves. Our industry-leading customers rely on us for a full range of services and repairs on-site or in our certified facility.

Benefits:

- Steam Pressures Optimized to yield Plant Savings
- Redundant Measurements on Force & Pressure which yields Accurate Set Pressures
- Low Profile Device for Tight Clearance Areas
- Web Based “Live” results of “as left set pressure”
- Four-Star* Trained Technicians perform the “valve sets”

*Star Technician is an exclusive program offered at Total Valve Systems

Triton LVT
Most Accurate System in the Industry

Total Valve Systems

1300 East Memphis Street | Broken Arrow, Oklahoma 74012
