**CURTISS -  
WRIGHT**

- Sliding stem globe & rotary control valves & dump valves
- Scotch yoke, spring diaphragm & piston, rotary & linear pneumatic actuators.
- I/P transducers, positioners, pressure & level controllers
- Air supply regulators

**TWS** ENGINEERED  
**TWS** PRODUCTS

- Attenuflow rotary control valve for noise & cavitation control in liquid and gas service
- Automation/shutdown valves - ball, butterfly, gate valves with pneumatic, electric, hydraulic actuation
- Custom made-to-order excess flow & check valves
- 6820 TRV - ASME Section VIII certified relief device
- Changeover valve

**VALVTECHNOLOGIES**

- Metal seated ball valves & trunnion mounted ball valves
- Isolation valves for coking service
- Switching valves
- Parallel slide gate valves

V-TORK USA

- Valve automation products, rack & pinion actuators, scotch yoke actuators & quarter-turn actuators

**Questtec**  
SOLUTIONS

- Liquid level gauges & valves, steam gauges, magnetic gauges, sight flow indicators

- Trunnion mounted & floating ball valves, wedge gates, globe valves, thru-conduit gate valves, swing check valves, piston check valves

**ZOOK**

- High-performance rupture discs & relief valve isolation

 **FRANKLIN**

- Double block & bleed valves, diverter valves, gate valves

## PRESSURE RELIEF & VACUUM VALVES

- Farris FAST Valve Repair Center
- ASME VR Safety Valve Repair / DOT Compliant
- Triton™ LVT - Live Valve Testing
- Oxygen Ultrasonic Cleaning Trailer
- Repairs Meet LDAR EPA Specifications
- Eight Mobile Turnaround Units
- HF ALKY Valve Services
- Remote Leak Detection
- Mobile Low Pressure Valve Testing

## ISOLATION & CONTROL VALVES

- ASME Weld Repair & Machining
- Drive Nut / Stem Manufacturing
- Diagnostics / Failure Analysis
- Rebuild Actuators / Stem / Drive / Nuts
- Orbit Seat Repair Equipment
- Gearbox Rebuilds
- PM Lubrication and Check-out Programs
- Live Load Conversions (LDAR Compliance)
- Electric Actuator Diagnostics
- HF ALKY Valve Service

## WELL EQUIPPED 100,000 SQUAREFOOT FACILITY

- ISO 9001:2015 certified
- Farris FAST Valve Repair Center
- More than 30 trained technicians
- STAR certification training program
- Total Valve Live™ 24/7 live project tracking
- UL-certified flow lab testing facility
- Certifications from ASME, NB, CE, UL, API & NFPA

## ISOLATION & CONTROL VALVES

- ASME Weld Repair & Machining
- Triton® D - Control Valve Diagnostics
- Flow Lab for Control Valve Testing
- API & ISA Hydrostatic Testing
- Trim Conversions
- Automation Facility / Stroke Testing
- Drive Nut / Stem Manufacturing
- Diagnostics / Failure Analysis
- Hexagon™ Absolute Arm Inspection
- Rebuild Actuators / Stem / Drive / Nuts
- Orbit Seat Repair Equipment
- Gearbox Rebuilds
- PM Lubrication and Check-out Programs
- Live Load Conversions (LDAR Compliance)
- Electric Actuator Diagnostics
- HF ALKY Valve Service
